## 5000B Portrait Canvas 320 gsm

### Description

This universal water resistant canvas is a single-side coated matt canvas made out of a 1:1 structured cotton/polyester blend. Its structure is optimized for photographic and portrait applications on inkjet printers with pigmented inks. The smooth structure allows a uniform rendering of skin tones and colour areas. The brownish back emphasizes the natural aspect of the Canvas and increases the opacity.

### Features

Smooth and low structure for uniform rendering of skin tones, Short drying time and good ink fixation, easy mounting without edge cracking, high color brilliance and uniform color areas,

### Applications

Indoor banners, retail displays, digital art & photos, trade shows & exhibitions, framed art.

Refer for Onyx and other profiles to [www.mediaguide.oce.com](http://www.mediaguide.oce.com)  
Select your Canon printer to find matching media and media profiles.

### Printing

For optimum results select the highest print quality.

### Physical Properties

Weight	320 g/m <sup>2</sup>
Calliper	430 microns
Cotton/polyester ratio	78/22 %
Whiteness (CIE, D65/2°)	100

### Storage Conditions

Store by 23°C and 50% relative humidity. Store material in original packaging until ready to use. Allow material to adapt to room conditions before use.  
Media can absorb moisture in humid conditions or extend moisture in low humid conditions. High humid conditions make the ink dry longer. The packaging also protects against sunlight.

### Shelf Life

1 year from shipping date when stored under ideal conditions (see above)
